

## Internal Audit Report.

Council:	Minting and Gautby Parish Council
Internal Auditor:	Danielle Onyskiw
Year Ending:	31 <sup>st</sup> March 2026
Date of Report	12/06/2026

This internal audit has been conducted in accordance with SAPP Practitioners' Guide - March 2025 - Section 4 'Internal Audit'. It is recommended that a council completes an intermediate mid-year audit which allows any weaknesses in governance and internal controls to be corrected during the financial year and an end-of-financial-year audit.

Internal audit is the periodic independent review of a council's internal controls resulting in an assurance report designed to improve the effectiveness and efficiency of the activities and operating procedures under the council's control. Managing the council's internal controls should be a day-to-day function of the council through its staff and management and not left for internal audit. It would be incorrect to view internal audit as the detailed inspection of all records and transactions of a council to detect error or fraud. This report is based on the evidence made available to me and sampling tests undertaken by me and consequently the report is limited to those matters set out below.

**The council is required to take appropriate action on all matters raised in reports from internal and external audit and to respond to matters brought to its attention by internal and external audit. Failure to take appropriate action may lead to further audit enquiries being raised and the external auditor issuing a qualified opinion.**

**Internal Audit Report.**

**To the Chairman of Minting and Gautby Parish Council,**

I have examined council business documents including policies, agendas & minutes, accounting and financial statements and other documents relevant to this internal audit.

I confirm that I am independent of the council, its officers and councillors and its activities and I identified no conflicts of interest to my work with this council to the best of my knowledge.

The results of this internal audit are recorded on the next page. If any part of the audit was found to 'unsatisfactory' I have provided recommendations to improve the weakness identified.

Yours sincerely

## Findings

The Parish Clerk and the RFO have maintained accurate records and documentation for the Parish Council. I am satisfied that the accounts and balances for the financial and administration period (1st April 2025 to 31st March 2026) are financially correct and supported by accurate records.

Following the recommendations from the previous internal audit a review of some key documentation was carried out during 2025/26 and should continue to be reviewed annually.

The accessibility statement has been published on the website and can be found by clicking the link on the main page of the Parish website.

## Recommendations

### 1. Key Documentation –

The risk management documentation and the Publication Scheme document were last reviewed in 2024, so a review is recommended during 2026/27.
